

Remarks

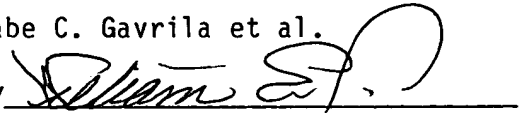

Claims 9 and 14 are hereby amended to correct typographical errors in those two claims that have come to applicants' attention subsequent to the filing of their Amendment "A" on June 24, 2005. Specifically, claim 9 is hereby amended to depend from previously amended claim 1, rather than previously canceled claim 2. Claim 14 is hereby amended to correct a spelling error that was introduced in the previous amendment filed on June 24, 2005.

It is therefore believed that claims 1, 3-10, and 12-23, as presently amended, are now in condition for allowance. Favorable action is accordingly solicited.

Respectfully submitted,

Gabe C. Gavrilu et al.
